**APPENDIX 1 to organizational directive 3-U-046
on organization of doctoral study
at Alexander Dubček University in Trenčín**

Organizational Directive of doctoral study at Alexander Dubček University in Trenčín is hereby amended as follows:

**Article 8
Requirements for doctoral student's continuation of study**

3. B. Second year of study

- c) Lecture or poster in foreign language at a minimum of one research/scientific conference abroad with published presentation in journal (category AFK - posters from conferences abroad, AFC - published presentations from conferences abroad) if included in doctoral student's individual study plan.
7. Publications as referred to in Article 3 and 5 of this Directive shall determine minimum requirements for publication activities of doctoral student, where he/she is author or co-author. Publications as referred to in Article 3 and 5 of this Directive may be replaced with publications of higher category.

**Article 11
Preparation of dissertation thesis defense**

6. Rector/Dean shall be obliged to invite in writing for dissertation thesis defense the following: doctoral student, members of in-field committee and defense committee, opponents and study advisor. Moreover, at least three weeks in advance Rector/Dean shall be obliged to announce time and date of dissertation thesis defense on the official notice board.

**Article 16
Doctoral study completion and withdrawal**

1. Doctoral study completion and withdrawal shall be governed by the provisions of TnUAD Rules of Study. Doctoral study shall be deemed completed when the study determined by respective study program is completed. Date of completion shall be deemed the day of complying with the last of conditions required for successful completion of study in respective study program¹. Electronic information system entry on completion of doctoral study shall be recorded no later than on August 31. of the respective academic year.

¹ § 54(14) of Act

ON 3-U-046

Other articles and paragraphs of Organizational Directive No. 3-U-046 on organization of doctoral study at Alexander Dubček University in Trenčín approved by the Academic Senate of TnUAD on March 23, 2016 shall remain valid.
